**The Robert Schalkenbach Foundation** (RSF) is a private operating foundation, founded in 1925, to promote public awareness of the social philosophy and economic reforms advocated by famed 19th century thinker and activist, Henry George.

Today, RSF remains true to its founding doctrine, and through efforts focused on education, communities, outreach, and publishing, works to create a world in which all people are afforded the basic necessities of life and the natural world is protected for generations to come.
